### End-of-year payment summary changes

The way most employers report tax and super information has changed. This means you will no longer receive an end-of-year payment summary from your employer. This is now called your income statement.

Davidson Advisory can download your income statement for you on request at any time. We can also view your income statement information when we complete your return and don't require that you bring your income statement to your appointment.

**TAX REFUNDS** – the Tax Office no longer issues refunds by cheque. Please provide your bank account details, including the BSB and Account Number to our office.
